

## Rose Hill Elementary Parent Involvement Policy Omaha Public Schools

Rose Hill Elementary School intends to follow the Title I parent and family engagement policy guidelines in accordance with the Every Student Succeeds Act of 2015 as listed below. The policy and the plan to implement it have been developed jointly and in agreement with parents and family members from our building. It will be reviewed and updated annually with parent and family member input. It will be distributed to all parents and family members at the beginning of the year in a language they can understand.
